

# 2019 Annual Report

A Letter from  
**Jack**

At Camp Harbor View, a thousand kids build relationships, explore possibilities and challenge limits in our programs each year. A vibrant, diverse community is at the heart of our mission and together we are making a meaningful difference in the lives of the youth and families we serve.

Over the past 14 years, we've grown and evolved, strengthening our programs and deepening our impact. Now, we have a responsibility to look toward the future and to ensure the opportunities afforded to today's campers are available to Boston youth for years to come. We hope you will join us in our continued commitment to work toward a more equitable future for Boston.

**Jack Connors, Jr.**  
CHAIRMAN

Camp Harbor View answers a demonstrated need for underserved youth at a critical time in their lives. We believe opportunity makes all the difference. With meaningful investment in our youth, together we will build a stronger future for Boston.

# PROGRAMS

Pathways to Success

## It All Begins at Camp

In 2019, we welcomed nearly 1000 young people to Long Island in Boston Harbor. Over the course of two months, campers spent their summer days swimming, biking, fishing, dancing, sailing, rock climbing and more. With the chance to try new activities, make new friends and set new goals, campers have the opportunity to challenge themselves in varied ways in a safe, comfortable, supportive environment. Beyond typical summer camp activities, youth also have access to round-trip transportation, breakfast, lunch and dinner every day, free dental and vision screenings, full-time onsite clinical social workers, career exploration, and experiential learning opportunities.

### About Summer Camp

Founded in 2007 as a summer camp for underserved youth in Boston, Camp Harbor View is perhaps best known for the signature summer program. Young people join the community as campers entering middle school and, for four weeks each summer, kids have the opportunity to be kids. Building confidence, unlocking creativity and broadening their horizons, participants experience full days of summer fun on Long Island in Boston Harbor. Before long, the once timid campers are maturing into young adults, approaching high school, and eligible to continue on into the Camp Harbor View Leadership Academy.

# A Day on the Island

8:10<sup>am</sup>

## Good Morning Campers

*Each summer morning 450 campers, 125 Leaders in Training and 100 staff arrive in the Seaport on 14 buses from neighborhoods across the city*

9:05<sup>am</sup>

## Island Arrival

*Arriving on island, it's hard not to notice the peace and quiet. It's 5 miles yet a world away from the hectic and noisy streets of Boston.*

8:40<sup>am</sup>

## On Our Way

*The ferry sets off across Boston Harbor bound for Long Island, about a 30-minute journey.*

9:30<sup>am</sup>

## Always on the Move

*Throughout the day, campers rotate through 5 different program areas including Sports and Fitness which keeps kids active and energized.*

10:25<sup>am</sup>

## Knowledge is Power

*How do you make ice cream?  
Grow fruits & vegetables? Catch a  
fish? Campers are always learning  
something new in KIP.*

12:00<sup>pm</sup>

## Time to Eat

*And dance. And sing. At lunch-  
time, the Great Hall is alive with  
activity, showcasing the camp  
culture and community. Campers  
eat 3 meals a day in the program  
with breakfast and dinner served  
on the ferry.*

11:20<sup>am</sup>

## Active in Aquatics

*The pool is lively all day long.  
With swim lessons for all levels,  
there is an opportunity for  
everyone to jump in.*

1:05<sup>pm</sup>

## Creativity is Key

*Campers are given a chance to  
explore music, performance art,  
visual art and more over the  
course of the summer session.*

2:00pm

## Building Confidence

*Whether it be on the challenge course or a sailboat, the Leadership program area is an opportunity for campers to build confidence, problem solve and*

3:55pm

## Heading Home

*The ferry back to Boston is full of tired but happy campers. Another camp day in the books.*

3:15pm

## Packing Up

*Camp days pass by in a blink and soon it's time to pack up — don't want to be late for the boat!*

4:30pm

## See You Tomorrow

*With two sessions every summer, each 4 weeks long, campers will return to Boston's Island of Opportunity again in the morning.*

A decorative graphic on the left side of the slide. It features a blue square with a white outline, partially obscured by orange and yellow splatters that trail across the slide.

***Camp Harbor View is a part of the heart  
and soul of the city of Boston. The impact  
is amazing and the effect ripples to other  
kids in the community.***

**- MAYOR MARTY WALSH**

# Growing the Leadership Academy

The Leadership Academy is an opportunity to both strengthen meaningful relationships and provide necessary support. With newly structured school year programs completing their first cycle in early 2019, the Leadership Academy offered greater opportunities to engage youth we serve individually and in group settings. Building on the Academy's pilot year, we expanded our South End program space by 6000 square feet in the fall of 2019 and enrolled over 150 young people in school-year pathway programs. From exploring potential career pathways to managing college applications, the youth we serve have access and exposure to learning opportunities in a supportive, comfortable environment. In 2019, the Leadership Academy had over 350 program hours of mentorship, exploration and community.

## About the Leadership Academy

The Leadership Academy is dedicated to leadership development for young people in grades 9 through 12 with programs focused on navigating high school, exploring post-secondary opportunities and developing critical life skills in preparation for future challenges. Consisting of the RISE and Leader in Training programs, all Leadership Academy participants have access to one-on-one support and grade-based weeknight programs and monthly Saturday workshops throughout the school year.

9th Grade

## A Year of Discovery

We developed the RISE program as a means to provide continuous support from the time youth enter Camp Harbor View as 6th grade campers until they graduate as 12th grade LITs. With an intentionally broad curriculum, RISE is an opportunity for 9th graders to think critically, set goals and build community. RISE completed its first program year in the spring of 2019. In the fall, the program expanded to a second weeknight, ensuring equal, quality content for all participants.

### About RISE Program

As campers age out of summer camp entering 9th grade, they are encouraged to join the RISE program and stay with Camp Harbor View as they transition into high school. Open to all youth who previously attended camp, RISE, which stands for Realizing Interests through Support and Exploration, acts as a bridge between their last summer of camp and the following summer when they're eligible to join the Leader in Training program.

Darren

*The sense of community in RISE is strong. My biggest takeaway so far is the idea of self-awareness — who I am now and who I want to become.*

- DARREN, 9<sup>TH</sup> GRADE

10th Grade

## Career Exploration

Following the RISE program, rising 10th graders have the opportunity to apply for the Leader in Training (LIT) program. As new LITs, participants work at camp during the summer, embedded in camper groups to assist and support summer staff. Then come fall, they continue with weekly Leadership Academy programs. The 10th grade cohort focuses on career pathways, exploring different fields and professions each month of the school year.

### About LIT Program

Our three-year Leader in Training program is a stipended, year-round commitment for individuals in grades 10-12. Progressing through the program, each cohort's content is customized by grade level with individualized social and emotional support and mentorship a constant throughout. During the school year, young people participate in life-skill focused content, learning about various career pathways, financial literacy, civic engagement and job readiness. During the summer, LITs are afforded a summer job at camp, acting as junior camp counselors and mentors to campers.

**Nandie**

***It's changed my perspective.  
There are so many things you  
can do with your life. Anything  
is possible if you are yourself.***

**- NANDIE, 10<sup>TH</sup> GRADE**

11th Grade

## Preparation & Planning

Building on the thematically structured first year of the LIT program, the 11th grade cohort is varied and individualized. Rising 11th graders play a facilitating role at camp, providing support across the five program areas and helping to lead campers through a variety of activities. The school-year programs put emphasis on mentorship, forming and developing a post-secondary plan with each participant based on their individual needs and interests.

***It's comforting to know there isn't just one correct path. There are choices after high school.***

**- CHIKA, 11<sup>TH</sup> GRADE**

**Brandon**

12th Grade

## Future Steps

In the final year of the LIT program, 12th graders are encouraged to use their individual strengths and skills to meet the needs of campers and the larger community during the summer. During the school year, the 12th grade cohort looks toward the future with college and scholarship applications top of mind along with content on financial literacy basics, resume writing and job readiness skill development.

***Camp Harbor View gave me confidence. My main take-away is to always surround yourself with quality people. I've found a home here.***

**- BRANDAN, 12<sup>TH</sup> GRADE**

# Deepening our Impact with Youth and Families

This year we continued to build Youth and Family Support initiatives in an effort to meet the needs of Camp Harbor View families. From financial literacy and planning for college to food assistance and holiday support, the team offers continuous engagement and learning opportunities and coordinated resources for youth and families during the summer and throughout the year.

## About Support Initiatives

At the Leadership Academy and Summer Camp, all youth have continued access to a team of social workers who assist with a range of social and emotional needs. Along with individualized support and counselling, we partner with organizations throughout the city of Boston to offer educational group programs as well as referral resources for youth in our programs and their parents.

A Message from  
**Sharon  
and Lisa**

A recent study from the Institute for Child, Youth and Family Policy at Brandeis University concluded that when it comes to children's prospects in life, the neighborhoods where they grow up matter a lot. Schools, safety, access to healthy food and places to play are all things that help to shape their futures.

At Camp Harbor View, our daily mission is to compensate for what might be missing in the neighborhoods where our campers live, and by so doing, create meaningful opportunities for Boston's youth. At our summer camp, we encourage campers to discover new talents, friendships and moments of joy. When the school year begins, the focus turns to the teens who attend our Leadership Academy, where they have the opportunity to be mentored by supportive adults and to explore future academic and career pathways.

Our goal is to create a sense of community and belonging amongst the youth we serve (and their families) in order to make a measurable difference in their collective future. Our investment in the youth of our city is a catalyst for future opportunity and economic success for our young people, and we are very appreciative of your support.

# EVENTS

Celebrating Camp Harbor View 365

**Beach Ball**

**Citython**

# Beach Ball

The Beach Ball is a highlight of the Camp Harbor View calendar each year and 2019 was no exception. On June 8th, over 850 guests filled The Warehouse at Flynn Cruiseport Boston in celebration and support of Camp Harbor View. Mayor Marty Walsh & Governor Charlie Baker kicked off the evening, followed by Camp Harbor View co-founder Jack Connors. Guests then enjoyed dinner and dancing after hearing of the personal impact year-round structure and support had on Kelsy, a 10th grade participant, with her mentor, Danah Blake, a youth worker in the Leader in Training program, by her side. Bryan Rafanelli, a member of Camp Harbor View's Board of Directors, and his team at Rafanelli Events produced yet another inspiring event, emphasizing the growth and development of the year-round programs by celebrating 365 days of Camp Harbor View.

# Citython

On November 16th, a record 938 runners coursed through 3.1 miles of Boston streets on a frigid Saturday morning for the 4th annual Citython 5k road race. Mayor Marty Walsh and Camp Harbor View co-founder Jack Connors kicked off the race on the Boston Common, before sending runners off through the neighborhoods of Back Bay and Kenmore. The twenty-degree temperatures didn't stop participants from toasting their race with emcee Jenny Johnson and Craft Brewers Guild selection of beverages during the post-race celebration. Presenting sponsors Income Research + Management and the Sheehan Family Companies raised the 2019 event to a new level, highlighting the opportunity Camp Harbor View programs provide Boston youth and their families throughout the year.
